Description:

Purpose:

Start Time:

End Time:

This section allows any user to “request” a group creation. This is a request that must be approved by a church staff member “admin”. Once approved, the requester becomes the leader of the group and can manage these groups under the “Groups I Lead” section. Groups can be smaller groups with close proximity or statewide large groups; your imagination is the limit (and the approval of the church staff 😊)

Groups can be onetime events or recurring groups.

Examples:

1) Create a Men’s Motorsports Discipleship Group for a motorcycle ride this weekend.

2) Create a 7 week women’s bible study for a new Beth Moore book.

3) Create a long term life group and/or change it if meeting times, people mix, or location change...

Fill out this portion so the church staff and the people that want to join know where to meet, the purpose, time etc...
